REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record do not anticipate nor do they reasonably suggest the saw as claimed in claims 1, 2 and 11. Majority of the prior art teach vehicle mounted saws, yet none of them fairly teach or suggest the bearings (claims 1 and 11) and the locking mechanism (claims 1 and 2) as claimed. Thus, it is believed that the claimed inventions in combination with all the other recited elements are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles Goodman whose telephone number is (571) 272-4508. The examiner can normally be reached on Monday-Thursday between 7:30 AM to 6:00 PM EST.
